Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. 2023 Community Benefits

Added 75 employed and independent providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in cardiology, general surgery, oncology, pathology, pediatrics, radiation oncology, teleneurology, telepsychology, teleradiology and more.

Made more than \$5.9 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a new Cardiac Cath Lab, laparoscopic towers for the Athens Surgery Center, the renovation of Suite 102 and completion of the Medical Office Building, ultrasound replacements, defibrillators and a cardiac rehabilitation system.

Distributed a payroll of \$43,601,286 to approximately 645 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

Donated nearly \$43.8 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$8,229,020 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
